

The Lap-Band[®] Surgery You Want The Hospital You Prefer A Price You'll Like

Lap-Band surgery is now more affordable than ever. **WK Weight & Wellness Solutions** is offering value pricing for Lap-Band[®] surgery. This minimally-invasive surgery offers you a way to gradually lose and control your weight with fewer risks and side-effects than are common with gastric bypass surgery.

Schedule your surgery now to take advantage of this all-inclusive **\$9,950 package value**.*

You'll receive surgery at a nationally-recognized hospital and surgical care from **Dr. William Norwood of Norwood Bariatric Surgery Center**. Both the hospital and the surgeon have earned the "Center of Excellence" designation from the American Society for Metabolic and Bariatric Surgery.

For more information or to schedule a consultation call 318-212-4120

*Covers a same-day surgery, surgeon's fee and anesthesiology.
